

Nové Mlýny lake – Pavlov, 6. - 8. May 2011
ISAF World Sailing Ranking List Event – Grade 3
Classes: Laser Standard, Laser Radial, Europe, Finn, D-one

Dear sailors and yachting fans,

I would like to invite you to the one of the biggest yacht competitions, which will open the new yacht season in The Czech Republic. I am fully aware that the most important part of this event is you, i. e. each and every Europe, Finn, D-one or Laser competitor, and I will honestly appreciate your attendance.

I would like to draw your attention to early reservations in Pavlov and to the benefits of registering via internet in time. You can enter the competition via this page: <http://www.palavska.com>, where you can also find more information, including the Notice of race and possibilities of accommodation.

Largely widened and a carefully prepared yacht club of Breclav is looking forward to all contestants, their support and fans.

Palavska regatta is starting soon and I am looking forward to your another – or yet another – or simply the first participation in this annual sport event. I hope the Palavska dam surface will be just perfect to offer a great opportunity to show fabulous water dances in the wild wind.

Carefully prepared yacht club of Breclav is looking forward to all contestants, their support and fans.

On Friday May 6th the Palavska regatta 2011 begins. Join us! You are warmly invited!
