As we say in France : ça va être **ENNOOORRRMME !!**

AN INTERNATIONAL COMPETITION

The Student Yachting World Cup (former Course de l'Europe) has been organised since 1979 by students of the Ecole Polytechnique, a well-known French university. Each Year, the best sailing teams **from universities all around the world** (Europe, USA, Russia, Japan, Australia...) meet and compete in thrilling races !

LA TRINITE SUR MER

This, year, the SYWOC comes back to the temple of French Sailing : the stretch of water is one of the most beautiful, difficult and renowned in France

A breath-taking panorama : le golfe du morbihan and the fantastic atmosphere of Southern Brittany !

FOR US, ENVIRONMENT DOES MATTER

At the SYWoC, we consider that the protection of the environment is a matter of great concern. This is why we have decided that this year, the winner of the competition will donate a check to the association of his choice in the field of marine ecosystem.

HOW TO APPLY

Form a crew of eight students from the same university, with at least two girls, and register for the Cup. The team which will represent your country will be chosen on the basis of its results in national or international races (Croisière EDHEC, KENNEDY's Cup...), as well on advice from sailing federations. Besides, the former winner of the SYWOC is automatically selected for the next one.
